## Personal Information Protection Policy

At Tri-County Brick Company, we are committed to providing our customers, with exceptional service. As providing this service involves the collection, use and disclosure of some personal information about our customers protecting their personal information is one of our highest priorities.

While we have always respected our customer's privacy and safeguarded their personal information, we have strengthened our commitment to protecting personal information as a result of Ontario's *Personal Information Protection Act* (PIPA). PIPA, which came into effect on January 1, 2004, sets out the ground rules for how Ontario's. businesses and not-for-profit organizations may collect, use and disclose personal information.

We will inform our customers of why and how we collect, use and disclose their personal information, obtain their consent where required, and only handle their personal information in a manner that a reasonable person would consider appropriate in the circumstances.

This Personal Information Protection Policy, in compliance with PIPA, outlines the principles and practices we will follow in protecting customers' personal information. Our privacy commitment includes ensuring the accuracy, confidentiality, and security of our customers' personal information and allowing our customers to request access to, and correction of, their personal information.

### Definitions

- 3.1 We will only use or disclose customer personal information where necessary to fulfill the purposes identified at the time of collection *such as*:
  - To conduct customer surveys in order to enhance the provision of our services;
  - To contact our customers directly about products and services that may be of interest.
- 3.2 We will not use or disclose customer personal information for any additional purpose unless we obtain consent to do so.
- 3.3 We will not sell customer lists or personal information to other parties.

## **Policy 4 – Retaining Personal Information**

- 4.1 If we use customer personal information to make a decision that directly affects the customer, we will

retain that personal information for at least one year so that the customer has a reasonable opportunity to request access to it.

- 4.2 Subject to policy 4.1, we will retain customer personal information only as long as necessary to fulfill the identified purposes or a legal or business purpose.

## **Policy 5 – Ensuring Accuracy of Personal Information**

- 5.1 We will make reasonable efforts to ensure that customer's personal information is accurate and complete where it may be used to make a decision about the customer or disclosed to another organization.
- 5.2 Customers may request correction to their personal information in order to ensure its accuracy and completeness. A request to correct personal information must be made in writing and provide sufficient detail to identify the personal information and the correction being sought.
- 5.3 If the personal information is demonstrated to be inaccurate or incomplete, we will correct the information as required and send the corrected information to any organization to which we disclosed the personal information in the previous year. If the correction is not made, we will note the customer's correction request in the file.

## **Policy 6 – Securing Personal Information**

- 6.1 We are committed to ensuring the security of customer personal information in order to protect it from unauthorized access, collection, use, disclosure, copying, modification or disposal or similar risks.
- 6.2 The following security measures will be followed to ensure that customer personal information is appropriately protected:  
*physically securing offices where personal information is held; the use of user IDs, passwords, encryption, firewalls; restricting employee access to personal information as appropriate (i.e., only those that need to know will have access; contractually requiring any service providers to provide comparable security measures].*
- 6.3 We will use appropriate security measures when destroying customer's personal information such as *shredding documents, and deleting electronically stored information.*
- 6.4 We will continually review and update our security policies and controls as technology changes to ensure ongoing personal information security.

## **Policy 7 – Providing Customers Access to Personal Information**

- 7.1 Customers have a right to access their personal information, subject to limited exceptions.
- 7.2 A request to access personal information must be made in writing and provide sufficient detail to identify the personal information being sought. A request to access personal information should be forwarded to the Privacy Officer.
- 7.3 Upon request, we will also tell customers how we use their personal information and to whom it has been disclosed if applicable.
- 7.4 We will make the requested information available within 30 business days, or provide written notice of an extension where additional time is required to fulfill the request.
- 7.5 A minimal fee may be charged for providing access to personal information. Where a fee may apply, we will inform the customer of the cost and request further direction from the customer on whether or not we should proceed with the request.
- 7.6 If a request is refused in full or in part, we will notify the customer in writing, providing the reasons for refusal and the recourse available to the customer.

## **Policy 8 – Questions and Complaints: The Role of the Privacy Officer or designated individual**

8.1 The Privacy Officer is responsible for ensuring Tri-County Brick Company's compliance with this policy and the *Personal Information Protection Act*.

8.2 Customers should direct any complaints, concerns or questions regarding Tri-County Brick Company's compliance in writing to the Privacy Officer. If the Privacy Officer is unable to resolve the concern, the customer may also write to the Information and Privacy Commissioner of Ontario.
